

# COMPLEMENTARY COMPETENCY PROGRAMME (CCP) COMBINED ENGINEERING COMPETENCY TRAINING

The courses consists of:

- Day 1: OSHA  
(Occupational Safety and Health Act) awareness training
- Day 2: MATLAB programming principles for engineers

## TIME AND VENUE:

- 13 OCT 2018 (9.00AM-5.00PM)  
MEETING ROOM 1, LEVEL 10,  
BLOCK E, UCSI UNIVERSITY KUALA  
LUMPUR CAMPUS.
- 20 OCT 2018 (9.00AM-5.00PM)  
COMPUTER LAB A, LEVEL 2  
(NORTH WING).

FEE: RM200

## About the course

OSHA (Occupational Health and Safety Act) awareness training provides a basic understanding of the OSHA for engineers as worker and employer candidates.  
(Instructor: Ir. Dr. Lee Jin Chai)

MATLAB is a versatile computation software for students, researchers, academicians and scientists regardless of their field of applications. The course will introduce MATLAB for anyone from beginner to intermediate level including some demo of MATLAB applications.

(Instructor: Ir. Asst. Prof. Dr. Mahmud Iwan Solihin)

“ PEOPLE WHO KNOW  
**THE EDGE**  
OF THEIR  
**OWN COMPETENCY**  
ARE SAFE, AND THOSE  
**WHO**  
**DON'T, AREN'T.** ”

Warren Buffett

**CERTIFICATES** will be given after  
completion of the course.

For registration, kindly contact [mahmudis@ucsiuniversity.edu.my](mailto:mahmudis@ucsiuniversity.edu.my) with the title “CCP registration”.

**Payment detail:** Internet / Giro Transfer / Cash deposit via ATM / Cash Payment at Finance Counter, UCSI South Wing

**Acc No:** CIMB Bank 86-0213894-3 (UCSI Education Sdn Bhd)

Please state ‘CCP Engineering’ during payment.
